**Why prayer? Prayer is an expression of needs and faith, but also a way to build a long-lasting relationship with God. Williamson is a regular speaker on prayer and Christian living and through personal**

**anecdotes and applicable scripture leads others through the foundation of faith, ways to build faith for effective prayer, and how to make a stand through prayer. Intended to motivate others to think and dream big, Williamson's articles teach specifically how to: \* Believe God over the evidence \* Deal with unforgiveness \* Protect the heart to keep out doubt \* Be bold in prayer and allow God to work \* Live how He says we should live God is calling for men and women to join with Him in the work through prayer and action. Prayer: A Force That Causes Change provides the encouragement, empowerment, and grace so that others can be successful in prayer. But Jesus looked at them and said to them, "With men this is impossible, but with God all things are possible." Matthew 19:26 (NKJV) Christians often say, "In Jesus' name" to close their prayers. But is this truly a desire of the heart or a perfunctory "Yours Truly" to God? Bryan Chapell says we should begin our prayers in Jesus' name-we should be Praying Backwards. In this practical and inspiring book, he shows readers that to truly pray in Jesus' name is to reorder one's priorities in prayer-and in life-away from oneself and towards Jesus and his kingdom. It is to pray believing in the power and the goodness of the One who hears, and thus to pray boldly, expectantly, and persistently. Readers seeking to transform their prayer lives will find wonderful direction in Praying Backwards. From the day you invited the Lord Jesus Christ into your life, there are certain prayers you should have been praying, in order**

Stormie Omartian is passionate about the power of prayer, and millions have found a deeper prayer life through her books for men, women, and families. This gathering of devotions from The Power of a Praying Woman Bible has brand-new prayers to help start conversations with your Heavenly Father. Walk with Moses, David, Joshua, the prophets, Mary, Martha, and Peter, and see how prayer in every situation makes room for God to touch your life. - Back cover. Reprint of the original, first published in 1874. This expanded and updated third edition continues to be an important reference volume and tool to survival in a law enforcement career. The book is designed to be used with the Bible and will help law enforcement officers consciously take the pulse of their soul, ensuring that they stay on a strong spiritual and moral**

**path. Each devotion included in the book examines a particular passage of scripture from the perspective of law enforcement. Often the primary meaning of the passage is not discussed in detail. Rather, the law enforcement angle of the passage is explored. Keeping physically fit and achieving expert law enforcement skills, along with maintaining a strong heart, mind, and soul, are essential ingredients to being a successful police officer and crucial to his/her survival. The book is not just a collection of devotions with religious meanings; rather, it clearly identifies some of the most trying situations that officers often find themselves in, the ones that challenge the soul the most, and helps them make sense of it all. The author links these situations with relevant biblical passages. Each devotion in the book is freestanding and can be used in any order. The devotions are arranged in several categories: Justice, Dealing with People, Crime and Police Situations, Prevention, Self-care, and Devotions for Law Enforcement Chaplains. Each of the 81 devotions conclude with questions for reflection and a meaningful prayer. These address a wide variety of ceremonial functions, including cadet graduations, retirements, blessings for substations, award banquets, and fire department events. This new edition includes four additional devotions for law enforcement, eight new devotions for law enforcement chaplains, and four prayers for ceremonial functions. This book will be essential reading for police officers, firefighters, law enforcement supervisors, community**

service officers, chaplains, and ministers. The stories of Elisha the prophet have received scant attention in recent years, perhaps because they are so enigmatic. This study places the Elisha material firmly within the narrative of Genesis-2 Kings, and examines the effect these stories have on the reader's perception of the role of the 'prophet'. Using the narratological theories of Mieke Bal, David Jobling and others, Bergen shows that the Elisha stories present prophetism in a negative light, confining prophets to a rather limited scope of action in the narrative world. There are prayers that can help rekindle the interest of your spouse in your marriage, even if he or she hasn't looked at you in years. In some cases, these prayers can help turn any troubled relationship to a terrific relationship in as short a time as 21 days. This comprehensive Bible survey of all the important aspects of prayer is a part of the 'All Series' by renowned Bible expositor Herbert Lockyer. It is possible for you to move from debt into abundance in a short space of time. There are provisions in the scripture to help you do this. In this book you will discover the biblical secret of the jar of oil that never runs dry. After reading this manual and applying the teachings, you will know how to unlock the storehouse of God using debt-free prayers, scriptural giving and other principles of kingdom economics. Be sober; be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. Nkjv If the devil is walking about seeking whom he may

**devour, it therefore means the devil is not omnipresence. The only authority that has that attribute is God. The devil does not have the power to devour everybody most especially the born again child of God, he only has power on those that gives him the privilege. But let me sound a note of warning to the believers, the bible says "the devil moves around like a roaring lion", he is not the real roaring lion, but just mimicking the real lion. We all know that Jesus is the real roaring lion; he is the lion of the tribe of Judah. Revelation 5:5, Hosea 11:10 The devil is moving like the real lion, but his mission is not to bless, to protect, to prosper and to give abundant life like the real lion, his mission is to kill, to steal, to destroy and to devour. JOHN 10:10 We should not be deceived, the devil also has moved into many churches, behaving like the lion of the tribe of Judah, but his aim is to drag many to hell. 2Corinthians 11:14 That is the reason the bible is advising us, Wherefore let him that thinketh he standeth take heed lest he fall. 1Corinthians 10:12 Ye therefore, beloved, seeing ye know these things before, beware lest ye also, being led away with the error of the wicked, fall from your own steadfastness. 2 Peter 3:17 And that's also why "THE POWERFUL FORCE OF PRAYER" is a must in our Christian walk with God. "Lord, Your Word tells of the magnificent and miraculous things You have done for people, and I know You are the same today and in the future as You were in the past. I pray You will do miraculous things in response to my prayers as well." --Stormie Omartian**

**What inspires your personal encounters with God? Those moments when you tell Him about your needs and thank Him for all He has done for you. Those times when you praise Him for His greatness and awesome goodness. Does Scripture inspire your prayers? This collection of devotions will give you short reflections on Bible passages that will remind you of all the magnificent and miraculous things God has done. And it will help you see what God not only can do in your life, but what He can do in the world around you in response to your faith-filled prayers. When you are faced with unrepentant and terribly wicked enemies, you need more than ordinary prayers to triumph. Strange enemies require strange prayers to put them in check and subdue them. In this highly anointed, eye-opening and instructive book, Dr D. K. Olukoya, the globally acclaimed doyen of spiritual warfare and exploits through prayer, reveals who strange enemies are, teaches an eclectic range of 'dangerous prayers' and proffers, chiefly, the Aggressive Prayers of the Psalmist as potent weapons to counter their operations and overcome them, especially in these perilous times. The best weapon against an enemy is another enemy- strange prayers! As you apply the winning principles in this book and pray the Holy Ghost-vomited prayer points, your strange enemies will give up and your challenges will turn to great testimonies. The Charles F.
