**(Dragon Mother Book 3) Magnis**

I rescued her. In return, she captured my heart. Winter I'm the north side's best potion dealer. Everyone in Chicago knows. What I'm not is a thief, but when a handsome dragon rescues me from a thirsty vampire's clutches, what I want most is the one thing I can't have. But I won't let that stop me because our chemistry is enough to make my head spin and my heart swell. Kyle I like to think I'm a good guy. Rescuing a beautiful stranger proves my theory and more, but there's a problem. A relationship is the last thing I want or

need, but the sexy witch with the come-hither eyes put a spell on me. Dragon Rules be damned. I have to have this witch. Find out what happens when forbidden love finds its perfect match in this heart stopping paranormal romance! A steamy dragon shifter romance filled with humor, second chances, and naughty, dragon-sex shenanigans. Susannah Men cheat and lie. They take more than they give. Promise the world and deliver dusty pocket lint. They're no good for the long haul of life. But sex? Sure, men are good for steamy romps and spicy hookups. I'm ready to accept that dating's for

dummies, but I'm not giving up sex. No way. And look who just stopped to offer me a lift: a sexy mechanic with all sorts of skills. He's no knight in shining armor, and he's not offering a fairy-tale happily ever after. He's all about the here, the now, and the f\*cking. I'm one hundred percent ready for that ride. Archer I'm a liar. My friends think I'm screwing women left and right. The truth? I've been celibate for over a hundred years. The woman I picked up on the side of the road thinks I'm a mechanic. I'm not. I just happened to live through the invention of the horseless carriage and have a knack

for repairs. She thinks I'm broke. Wrong again. Centuries of living lends itself to a fat bank account. I thought I gave away my heart years ago, but evidence suggests otherwise. That sad, disused organ beats faster for a foul-mouthed history professor who drives an unreliable, shiny red Volkswagen Bug. I want to be honest, but I'm sitting on so many secrets I'm not sure where to start. Worse, I don't think she wants the truth: I'm a dragon, she's a witch, and I might be falling in love with her. A woman who's been let down by life and love meets a dragon who's ready to shine up his

tarnished scales for her, but they've got one hell of a past to overcome if they're going to find their long-haul, forever love. Magnis's dragon is about to take over control and without a mate, there's not a damn thing he can do to stop it. Finding Amanda should've been easy: mate and complete the bond then enjoy life by having lots of sex. But she's struggling with being his mate. He's the freaking alpha and going on a dragon rampage isn't something he's looking forward to if he can't convince Amanda to mate with him. He'll do anything to calm down his beast. Amanda just had to be attracted to an alpha dragon but

she can't just throw herself at him. She's still grieving for her boyfriend of two years, who died a few months ago. And when she found the ring from her dead boyfriend she knew she missed out on a whole life with him. But staring into Magnis's blue eyes, all the pain vanishes. Amanda wants him badly! She should be listening to her head instead of her heart. Yet every fiber of her being wants to connect with Magnis. She'll fight for what's right in her heart. A dragon shifter on the verge of death. A woman being hunted by wolves. The oath he swears to protect her may be his last. Xander Brandhart is

running out of time. He and his brothers are the only dragon shifters left alive, but if the billionaire Xander doesn't find a mate soon, his last shift will be permanent. As he looks for a magic stone to prolong his three-hundred-year life, he can feel himself starting to lose control. When he meets a feisty, beautiful redhead, it's love at first sight, but his heart sinks as he realizes no human has ever survived mating with a dragon... Shae MacKenna lived alone on the streets of Chicago until the age of 13. It wasn't until an eccentric old mage took her in that she could trust another living soul. But shortly after her 21st birthday when

a pack of feral wolf shifters kills her guardian, she'd almost rather be the next victim than go it alone all over again. Thankfully, an actual living dragon bursts in to save her life. When Xander swears an oath to protect her, she reluctantly joins the billionaire in his penthouse suite. As the pack of wolf shifters continues to stalk her, Shae feels herself falling for her protector. To fulfill his bond and his growing attraction toward her, Xander may need to sacrifice his life to save the woman he loves. A blocked writer looking for inspiration Kaylee I write about bad men who do dirty things to needy women. Or I used to. I'm on a deadline and the words aren't coming. My creative well is nothing more than a mud puddle. Perhaps a reflection of my equally uninspiring life. But then I encounter a smoking man with a serious book habit at my local library. Suddenly, he's my hero. I'm writing about a gorgeous bespectacled guy with lickable abs

and bitable biceps. The words are flowing, but it's not the book I meant to write. Not enough handcuffs, too many teeth and claws...and I'm not entirely sure why. A nerdy dragon looking for love Dex I found her. My \*\*\*one true mate. And... She thinks I'm a lunatic. "Dragons aren't real." I just have to convince a woman with an imagination so vast she creates fictional worlds for a living that everything she's ever dreamt is real, magic included. No problem. Without revealing my true form. More complicated. While keeping her safe. Dammit. Note from the author: This book contains a practical writer

who's certain that dreams and magic are for children, and that happily-ever-after only exists in fiction. It also contains a badass nerd dragon who's ready for love...until he meets the woman of his dreams and realizes life with him is full of unavoidable dangers. Kate and her dragon protector Ros have escaped the domain of the King of Shadows, but their troubles are far from over. Kate's role as the person to lift the world out of darkness is still in doubt, so Ros suggests they look into the prophecy. Their journey takes them along the Paths of the Forgotten, an abandoned labyrinth of trails

that lead to their destination, the ancient library of Mathisi. The records within those walls were saved by the ravages of time by the Logos, an old family who were once part of the civilization that built the majestic ruins adjacent to their library. However, all is not well on the Paths. A strange sickness afflicts the villagers near the library, one which leaves them as nothing more than zombies eager to consume a particular herb found only in their forest. As the situation worsens the pair find that there's more than just shadows that haunt the ruins and the village. Something far

darker lurks in the heart of the ancient city, something only Kate can discover, but only together can they destroy the evil before they become its next victims.

Dana could smell it  
on her and he  
wondered why  
Danburn hadn't.  
With Danburn  
being the king of  
the dragons he  
should have been  
able to smell it  
right off, or at least  
Dana thought so  
anyway. With the  
woman's surly  
temper Dana should  
have left her there  
to suffer alone, but  
he could smell his  
mate on her. Since  
Em was an emerald  
dragon he deduced

that his mate must  
be another gem to  
compliment his  
diamond. Sapphire  
had been  
summoned with the  
rest of her sisters,  
Ruby and Opal, to  
Em's side. The  
young girl, Carmine  
had powerful magic  
that could extract  
the lead from Em,  
but she wasn't  
strong enough to  
get it all out on her  
own. The sisters  
would have to  
combine their  
magic with  
Carmine's or Em  
wouldn't survive.  
Sapphire knew  
instantly that Dana  
was her mate and  
she wasn't thrilled  
about it either. She  
and her sisters had  
been around for  
thousands of years,  
why did a mate  
have to muddy the  
waters now? Dana  
wanted to take it

slow. They had the rest of their lives to get to know each other. He wanted to court her and ease into the relationship. They were both immortal, so time was on their side, right? Melville James had other ideas. If he couldn't have the emerald dragon he'd just take the sapphire. After all, her mate hadn't claimed her yet, and by dragon law that made her easy pickings. Some wounds run deep. Can a Dragon's heart be unbroken? Edric Falk vowed long ago to never fall in love again. With two of his brother's having fallen into that trap, he's more determined than ever to remain alone. When he's

asked to be best man at his youngest brother's Valentine's Day wedding, the Dragon shifter has no choice. He is all set to go through the motions until he meets his partner for the event! Sparks fly, and this Dragon isn't sure he can control himself! Joselyn Coracao is the maid-of-honor for her best friend's wedding. She also happens to be a clairvoyant Witch! When the universe sends her a message that she's about to meet her destiny, what else can she do but fight tooth and nail? Edric and Joss both agree the Fates have messed up! They make a deal to put aside their differences for the

sake of the wedding, but some things are beyond their control! Elly and Shade's separate pasts collide as they're faced with a new threat when their friend Rodney collapses. The mystery of his illness leads them through the temples of the Sisterhood to the dingy potion shops of Flower Pot Alley. More questions than answers arise as Elly learns more about not only Shade's time spent in the fantastical world, but about herself. Those questions dig into the heart of Elly's lost memories from when she was a child, memories that now hint at something greater than she could ever

have imagined. Memories that revolve around not only Shade's sacrifice to protect her, but her special connection to the Heaven Stones. Unfortunately, in their investigation they find themselves facing a familiar and deadly foe, one who's intentions are slowly made clear to them. Past and present collide as they find themselves in a race against time to save not only Rodney, but their own futures.

something darker and more dangerous has. For one woman, he will risk more than his life... Rafferty Powell has exchanged challenge coins with his arch-nemesis Magnus Montmorency, and their next battle will be their last. But Rafferty never expected to meet a woman whose desire for Magnus' downfall matches his own—and whose presence sparks Rafferty's long-awaited firestorm. Since facing her own mortality, investigative reporter Melissa Smith has resolved to live without fear. She's determined to make the seemingly untouchable Magnus pay for his role in ending her

wyr, Pia Giovanni spent her life keeping a low profile among the wyrkind and avoiding the continuing conflict between them and their Dark Fae enemies. But after being blackmailed into stealing a coin from the hoard of a dragon, Pia finds herself targeted by one of the most powerful—and passionate—of the Elder races. As the most feared and respected of the wyrkind, Dragos Cuelebre cannot believe someone had the audacity to steal from him, much less succeed. And when he catches the thief, Dragos spares her life, claiming her as his own to further explore the desire they've ignited in

each other. Pia knows she must repay Dragos for her trespass, but refuses to become his slave—although she cannot deny wanting him, body and soul... His past broke him. Kadin's siblings believe he only cares about pure dragon bloodlines and that is why he refuses to take a human mate. They don't know about his dark past. A day centuries ago that changed him forever and left him crippled with fear. When he sees Avery, however, his dragon knows she belongs to him. The beast doesn't care she's human, but Kadin can't forget his past. She can heal him. Avery has spent her life second guessing herself. From her

body image, to allowing her brothers to convince her that an EMT was a more suitable job than a firefighter. When a shifter shows up at her station, she has no idea the impact he will have on her. Kadin is bigger than life and hotter than any fire she's ever seen. When a friendly date turns into a night she will never forget, she's left wondering why she can't let him walk away. When Kadin finally realizes he can't live without Avery, he might be forced to do just that. Tragedy strikes not once but twice and threatens to break the couple apart forever.
