*Learn the science and art of creating a one-of-a-kind bamboo fly rod. Fly fishing has a long and storied history. While many flyfishermen will find and purchase their favorite fly rod, there are those who desire to go a step further. For those discerning flyfishermen and women, simply buying a rod is not enough—they must build one. And just as fly fishing is an art, so is the creation of the bamboo fly rod. Many people believe that the best-feeling rods, particularly for trout fishing, are made from bamboo, and today's bamboo rod-making tradition is particularly indebted to one man: Everett E. Garrison. Using principles he learned as an engineering student, Garrison created an exacting method of building rod—a method that for decades was a well-kept secret. These techniques are presented to the reader in *A Master's Guide to Building a Bamboo Fly Rod*, a classic volume written by Hoagy B. Carmichael to honor and maintain Garrison's legacy. Completely illustrated with black-and-white drawings and over three hundred and sixty black-and-white photographs, along with copious notes on the mathematical and engineering principles that underlie Garrison's unique rod-making technique, this book will guide you through each step of creating a classic bamboo fly rod. Skyhorse Publishing is proud to publish a broad range of books for fishermen. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing*

books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. Shows the reader how to be a Dungeon Master. It is being called "the single best resource" for parents and pastors when LGBT+ people come out. Author Bill Henson's heart for *Guiding Families* flows from over a decade of experience training church leaders and caring for LGBT+ people and their families. He is creator of *Posture Shift*, the leading training and consulting resource on LGBT+ inclusion and relational care in the conservative church. *Meeting the Messiah* gives you a chance to journey through the four weeks of Advent with purpose, whether by yourself or with a small group. birth of Jesus with Susan Robb in *The Angels of Christmas*, a four-week Advent study. *The Angels of Christmas: Hearing God's Voice in Advent*, a four-week Advent study by Susan Robb, explores the four angelic visits surrounding the birth of Jesus with Zechariah, Mary, Joseph, and the shepherds. In this study, the reader will explore the visits and dive deep into the history of the angel Gabriel—and other angels—in the Old Testament. *The Angels of Christmas* uses these four angelic appearances to discuss God's presence in history and our lives today. The messages of the angels hold meaning for listeners both then and now. The Leader Guide contains everything needed to guide a group through the four-week study including session plans, activities, and discussion questions, as well as multiple format options. *Moo's Law* is the latest title from successful investor Jim Mellon, to help readers understand the investment landscape in cultivated and plant-based proteins and materials. Jim has a vision that within the next couple of decades world agriculture will be radically transformed by the advent of cultivated meat technology. This book grounds the reader in why such an advancement is absolutely necessary and informs them of the investments they could make to become part of the New Agricultural Revolution themselves. The harrowing effects on our environment, animal cruelty in food and fashion, and the struggling ability to feed the world's ever-growing population gives us no choice but to grow meat in labs or derive our proteins from plant-based sources. Not only this, he outlines what he sees as the major hurdles to the industry's success in terms of scalability of production and the smart designing of regulatory frameworks to stimulate innovation in this sector. The future of food is being developed in labs across the world - it will be cleaner, safer, more ethical and, importantly soon, cheaper too! Once price parity with conventional meats is reached, there will be no turning back -- this is Moo's Law™. Experience the unexpected this Christmas. During this Advent season, Rachel Billups guides readers through the themes of hope, love, joy, and peace by sharing the stories of Elizabeth and Zechariah, Herod, the Magi, and the shepherds. Each set of unexpected characters has something to teach about living faithfully on the journey to Christmas. The Leader Guide contains everything needed to guide a group through the four-week study, including session plans, activities, discussion questions, and multiple format options. Additional components for the four-week small group study include the book and DVD/Video Sessions featuring Rachel Billups. Around the world Adventist young people learn new skills and participate in fascinating activities, whether it be camping in the snow, exploring caves, witnessing to others, or serving as volunteers in humanitarian or civic outreaches. Whether you are a Pathfinder today, were many years ago, or would like to be... you? It finds this book captures the joy and excitement of being a Pathfinder. If the Christmas season has become more of a chaotic consumer ritual rather than a nurturing spiritual time, you need this brilliant "Advent survival guide"! If you set aside just 10 minutes per day, Child of the Light will help you find your quiet center amid the stressful flurry of the November/December busyness. As you read the book's brief readings inspired by the season's carols and hymns, your spirit will be lifted, and your thoughts will be redirected to the purpose of the season: preparing for the coming of Christ. "Take time for God: that's exactly the challenge God gives us during this season of preparation," writes Richardson. "Personally and culturally, this time of year already seems to race out of control toward a Christmas finish line. In Advent, we are invited to take time out...[In] doing so, we nurture our spiritual self, that sometimes fragile part of us who longs for a connection with God." The reflections extend past Christmas to Epiphany, January 6, encouraging you to live into the joy of Christmas beyond traditional seasonal celebrations. A 5-week study guide is included at the back of the book, offering a simple structure for meetings: centering, reflecting, reading scripture, going deeper, and closing. The use of hymns and carols will engage even the most nonmusical among us to fully appreciate the lyrical richness of the season. Do you long for a more sacred and measured observance this year? Be joyfully carried through the pre- and post-Christmas pandemonium as a child of the light! Advent for Everyone: Matthew provides readers with an inspirational guide through the Advent season, from the First Sunday of Advent through the Saturday after the Fourth Sunday of Advent. Popular biblical scholar and author N. T. Wright provides his own Scripture translation and brief reflection to guide readers through the season toward the wonder and joy of Christmas. This book is suitable for both individual and group study and reflection. Over the course of one night in 1942, the crew members of Wellington bomber 'P for Pathfinder' each reflect on the paths of their own lives, as they embark on a fateful mission deep into the heart of Nazi Germany. Behold is an old-fashioned word we rarely hear these days. It's not in most modern translations of the Bible. Yet Pamela Hawkins says this word softens the edges of her heart. "I cannot say this word without moving, without extending and lifting a hand, palm open, toward the object of my attention," she remarks. Enter Advent this year with an attitude of curious expectancy and trustful anticipation. Linger for a while and pay close attention to the meaning of the season as you focus on a single word

In this book Clinton Valley casts just such a vision for Christian leaders. Drawing from years of experience, Valley offers insight about the true purpose of leadership and the profile of an effective leader. The practical and inspiring principles he shares will help you develop the vision, skills and focus you need to lead effectively. Help! I'm Being Followed addresses how to make positive changes, deal with conflict, handle criticism, and plan for relevance and progress. What if it really wasn't that hard to find more peace, more quiet, more room in your heart for the Christ child to be born? Hawkins will guide you—calmly and simply—through the busy season of Advent, and you'll come out of the four weeks more centered, rested, and spiritually renewed. "The idea for this book arose from my own experience of contemplative prayer, prayer that finds its home, not in busy doing or speaking, but in becoming, in being," writes Hawkins. Some Advent titles promise reflective simplicity but actually require a lot of time or reading; Simply Wait is the exception. The exercises are very doable and focus on anticipation, hope, patience, and obedience. Questions and journal space are provided to help you contemplate more fully. This is an ideal individual or small-group study; a guide for groups is included. The mega-bestseller with more than 2 million readers, soon to be a Showtime/Paramount series starring Ewan McGregor as Count Alexander Rostov From the #1 New York Times-bestselling author of *The Lincoln Highway* and *Rules of Civility*, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose. Focusing on the Lectionary readings, this guide combines sound exegesis, goodhomily preparation, rich liturgical notes, helpful observations on music, and selected catechetical topics. (Church Life) There are multiple names given to Jesus in the Bible. Fifty of them are presented in this book, *Names for Jesus*. In the ancient world, a name had a meaning; in this book's entries one can discover the meaning of a name for Jesus, which often indicates one of his functions as understood by a biblical author. Often, both religious and spiritual people look for some reading material that will guide them through the Advent and Christmas seasons. Here is an ecumenical approach; this book is general enough for any Christian. Each of the entries consists of five parts: 1) the name; 2) a short quotation from Scripture, which contains the name given in the title; 3) a reflection exploring the meaning of the name; 4) a journal/meditation section to help the reader make connections between the reflection and his or her own life; and 5) a short prayer. Anyone can finish the spiritual journey of Advent and Christmas enriched for having spent time with *Names for Jesus*. Do you have a gun dog and want to have a great time working with your dog and perhaps enter a field trial? Do you want to find a training method where your dog has just as much fun as you do?
