Coachella Valley Above All Nov 30 2020

Deep in the Valley Oct 22 2022 Revisit Grace Valley, California, in book 1 of this fan-favorite trilogy by #1 New York Times bestselling author Robyn Carr. Unlocked doors, front porches, pies cooling in the windows—this is country life at its finest. But visitors don't always see what lies at the heart of a community. Or just beyond... June Hudson grew up in Grace Valley, the daughter of the town doctor. Leaving only to get her medical training, she returned home and followed in her father's footsteps. Some might say she chose the easy, comfortable route...but June knows better. For June, her emergency room is wherever she's needed—or wherever a patient finds her. She is always on call, her work is her life and these people are her extended family. Which is a good thing, since this is a town where you should have picked your husband in the ninth grade. Grace Valley is not exactly the place to meet eligible men—until an undercover DEA agent suddenly starts appearing at all sorts of strange hours. Everybody has secrets down in the valley. Now June has one of her own. Originally published in 2008

Guardians of the Valley Jul 07 2021 The dramatic and uplifting story of legendary outdoorsman and conservationist John Muir's journey to become the man who saved Yosemite—from the author of the bestselling *Skeletons on the Zahara: A True Story of Survival*. In June of 1889 in San Francisco, John Muir—iconic environmentalist, writer, and philosopher—meets face-to-face for the first time with his longtime editor Robert Underwood Johnson, an elegant and influential figure at *The Century* magazine. Before long, the pair, opposites in many ways, decide to venture to Yosemite Valley, the magnificent site where twenty years earlier, Muir experienced a personal and spiritual awakening that would set the course of the rest of his life. Upon their arrival the men are confronted with a shocking vision, as predatory mining, tourism, and logging industries have plundered and defaced “the grandest of all the special temples of Nature.” While Muir is consumed by grief, Johnson, a champion of society's most pressing debates via the pages of the nation's most prestigious magazine, decides that he and Muir must fight back. The pact they form marks a watershed moment, leading to the creation of Yosemite National Park, and launching an environmental battle that captivates the nation and ushers in the beginning of the American environmental movement. Beautifully rendered, deeply researched, and inspiring, *Guardians of the Valley* is a moving story of friendship, the written word, and the transformative power of nature. It is also a timely and powerful “origin story” as the toweringly complex environmental challenges we face today become increasingly urgent.

Beyond the Valley Jul 27 2020 How to repair the disconnect between designers and users, producers and consumers, and tech elites and the rest of us: toward a more democratic internet. In this provocative book, Ramesh Srinivasan describes the internet as both an enabler of frictionless efficiency and a dirty tangle of politics, economics, and other inefficient, inharmonious human activities. We may love the immediacy of Google search results, the convenience of buying from Amazon, and the elegance and power of our Apple devices, but it's a one-way, top-down process. We're not asked for our input, or our opinions—only for our data. The internet is brought to us by wealthy technologists in Silicon Valley and China. It's time, Srinivasan argues, that we think in terms beyond the Valley. Srinivasan focuses on the disconnection he sees between designers and users, producers and consumers, and tech elites and the rest of us. The recent Cambridge Analytica and Russian misinformation scandals exemplify the imbalance of a digital world that puts profits before inclusivity and democracy. In search of a more democratic internet, Srinivasan takes us to the mountains of Oaxaca, East and West Africa, China, Scandinavia, North America, and elsewhere, visiting the “design labs” of rural, low-income, and indigenous people around the world. He talks to a range of high-profile public figures—including Elizabeth Warren, David Axelrod, Eric Holder, Noam Chomsky, Lawrence Lessig, and the founders of Reddit, as well as community organizers, labor leaders, and human rights activists.. To make a better internet, Srinivasan says, we need a new ethic of diversity, openness, and inclusivity, empowering those now excluded from decisions about how technologies are designed, who profits from them, and who are surveilled and exploited by them.

Spiders Jul 19 2022 Learn all about spiders, webs, prey, and more, in this nonfiction book.

Indian Valley Mar 03 2021 It is estimated that Indian Valley in Plumas County was inhabited by the Maidu people for 10,000 years. It was then and is still a beautiful valley, surrounded by lush forests and flowing rivers. Pioneer Peter Lassen was the first white man to see its beauty. The Gold Rush caused the first population boom, and towns sprang up around the valley. Huge copper finds, in later years, increased the valley's population once again and brought in the railroad. After the mining started to fade there were many farmers, ranchers, and loggers working to replace the jobs lost from the mines closing. Today Indian Valley is home to several picturesque towns such as Taylorsville, Greenville, and Crescent Mills.

Killing for Land in Early California Feb 02 2021 "This is a history of the clash between the White settlers and the Native Americans in what is now an affluent county in California. The frontier wars gave land and gold to Whites and reservations to the Native Americans. Eyewitness accounts and extensive research show the conflicting roles played by the Army, State Legislature and the US Congress"--Provided by publisher.

Emily of Deep Valley Dec 24 2022 “I re-read these books every year, marveling at how a world so quaint—shirtwaists! Pompadours! Merry Widow hats!—can feature a heroine who is undeniably modern.” —Laura Lippman “There are three authors whose body of work I have reread more than once over my adult life: Charles Dickens, Jane Austen and Maud Hart Lovelace.” —Anna Quindlen Often considered Maud Hart Lovelace's best novel, *Emily of Deep Valley* is now back in print. This gorgeous volume includes a new foreword by acclaimed young adult author Mitali Perkins, and compelling historical material about the real people who inspired Lovelace's beloved characters. *Emily of Deep Valley* joins the Harper Perennial Modern Classics library next to other enduring favorites like *A Tree Grows in Brooklyn*, *To Kill a Mockingbird*, and Lovelace's *Betsy-Tacy* books.

The New Valley Dec 12 2021 From the author of *The Great Glass Sea*, three linked novellas set between the Virginias about men confronting love, loss, and personal demons. Set in the hardscrabble hill country between the Virginias, *The New Valley* contains characters striving to forge new lives in the absence of those they have loved. Told in three varied and distinct voices—a soft-spoken middle-aged beef farmer struggling to hold himself together after his dad's death; a health-obsessed single father desperate to control his reckless, overweight daughter; and a developmentally delayed man who falls in love with a married woman intent on using him in a scheme that will wound them both—each story explores survival, isolation, and the deep, consuming ache for human connection. As the men battle against grief and solitude, their heartache leads them all to commit acts that will bring both ruin and salvation, in these tales “full of tenderness and looming menace” (*The New York Times Book Review*). “Stark and haunting . . . Delivers great beauty” —*Publishers Weekly*, starred review “[Weil's] language is exquisite, his sentences glorious. . . . Refreshing and engaging.” —*Ploughshares*

Black Mountain and the Swannanoa Valley Nov 18 2019 North Carolina's magnificent Blue Ridge Mountains have drawn people to the Swannanoa Valley since the beginning of time. Rivers and forests lured early hunters and gatherers; later inhabitants tilled the rich, fertile soil and logged the thick forests on the mountainsides. People also came to the mountains to enjoy the mystical beauty and enchantment of the area, the cool, crisp climate, and the sparkling waters of brooks and streams. Hiking, camping, and the tranquility of a woodland world provided escape from city life. The Swannanoa Valley is cradled between the Craggy Mountains to the north and the Swannanoa Mountains to the south. Mount Mitchell, the highest peak in America east of the Mississippi River, rises majestically nearby. Among the early visitors who decided to settle in the valley were those who purchased the land that later became the sites of the famous conference centers in the area—Montreat, YMCA Blue Ridge Assembly, and Ridgecrest—and businessmen, who brought industry to the area.

Every Little Piece of Me Aug 20 2022 An unlikely meeting after a decade apart, a drunken Vegas wedding, a note goodbye, a broken second chance at love . . . and the wedding invitation that changes it all. The first time I saw Brinley Knox, she was crying and heartbroken at her own sweet sixteen party. The daughter of the wealthiest family in Orchid Valley, she was off limits to someone like me—the teenage charity case, the hired help. But that didn't stop me from kissing her. Or from promising if she were ever mine, I'd never let her go. The last time I saw Brinley Knox, I made good on that promise. Forget that it was the first time we'd seen each other in ten years, or that we were drunk in Vegas when we said I do. I meant every word, every touch, every promise. The problem? When I came back to the hotel, she was gone—the ring I slipped on her finger and the note she left behind the only reminders she had been there. Well, those and the hole she left in my chest in place of my heart. We haven't spoken in the six months since, and I'm not the kind of guy who'd file for a divorce he doesn't want. But when I get the invitation to her wedding to another man, it's time to return to Orchid Valley and remind the bride-to-be that I'm a man who keeps his promises. *Every Little Piece of Me* is a sexy, standalone second-chance romance in Lexi Ryan's all-new Orchid Valley series.

Pawprints Apr 16 2022 Several animals crowd into a lost mitten for warmth in this retelling of a Ukrainian folktale.

Every Time I Fall Jun 25 2020 New York Times bestselling author Lexi Ryan brings you *Every Time I Fall*, a sexy standalone romance about a woman learning to love herself and the guy who's loved her all along. He's my brother's best friend. The hot guy with the heart of gold I've never let myself want. Guys like Dean don't go for girls like me. Curvy. Thick. A big girl. Whatever label you put on me, I know who I am and what it means. And that's fine. I'm content to be Dean's buddy and nothing more. Or so I thought. But when Dean finds out about my bedroom issues and decides to help me fix them, everything changes. He swears there's no such thing as “bad in bed” and pleasure is all about chemistry. I'm not convinced, but he intends to prove it. With his mouth. With his body. With his dirty texts and whispered promises. I know from the first kiss that I'm going to fall hard. That this can't last, and the end might break me. But, for these days and nights with Dean, all the hurt might be worth it.

Storied Weddings May 05 2021 Shape your wedding into a beautiful occasion that goes beyond the look, to one that shares your story. An inspiring book—meets—planning tool brimming with realistic tips and beautiful imagery; *Storied Weddings* encourages you to examine your tastes, family history, hobbies, styles, and other bits and pieces of your story to weave into your wedding celebration, your storied wedding. Filled with wedding florals, venues, cocktail recipes, bouquet recipes, table setting ideas, color pairings, and more, the book also features charming stories from past couples, real wedding images, and insightful pro tips throughout. A thoughtful Q&A brings a spark to the process—incorporating these questions will encourage couples to really personalize every detail—to bring to life your vision for a timeless celebration that is perfectly you. With fifteen years of planning and designing weddings and celebrations, Aleah and Nick Valley are known as industry leaders who happily share their knowledge and creativity. Their work has been published in *Brides Magazine*, *Sunset Magazine*, *Better Homes & Gardens*, *Style Me Pretty*, and more.

Biennial Report of the Public Utilities Commission, State of Kansas Jan 01 2021

Dolls! Dolls! Dolls! Nov 23 2022 "A blissful treasure trove of gossipy insider details that Dolls fans will swiftly devour." --*Kirkus Reviews* The unbelievable-but-true, inside story of Jacqueline Susann's pop culture icon *Valley of the Dolls*--the landmark novel and publishing phenomenon, the infamous smash hit film ("the best worst movie ever made"), and Dolls's thriving legacy today

Since its publication in 1966, Jacqueline Susann's *Valley of the Dolls* has reigned as one of the most influential and beloved pieces of commercial fiction. Selling over thirty-one million copies worldwide, it revolutionized overnight the way books got sold, thanks to the tireless and canny self-promoting Susann. It also generated endless speculation about the author's real-life models for its larger-than-life characters. Turned in 1967 into an international box-office sensation and morphing into a much-beloved cult film, its influence endures today in everything from films and TV shows to fashion and cosmetics tributes and tie-ins. Susann's compulsive readable exposé of three female friends finding success in New York City and Hollywood was a scandalous eye-opener for its candid treatment of sex, naked ambition, ageism, and pill-popping, and the big screen version was one of the most-seen and talked-about movies of the time. *Dolls! Dolls! Dolls!* digs deep into the creation of that hugely successful film--a journey nearly as cut-throat, sexually-charged, tragic, and revelatory as Susann's novel itself--and uncovers how the movie has become a cherished, widely imitated camp classic, thanks to its over-the-top performances, endlessly quotable absurd dialogue, outré costumes and hairdos, despite the high aspirations, money, and talent lavished on it. Screenwriter-journalist-film historian Stephen Rebello has conducted archival research and new interviews to draw back the velvet curtain on the behind-the-scenes intrigue, feuds and machinations that marked the film's production. In doing so, he unveils a rich, detailed history of fast-changing, late 1960s Hollywood, on screen and off.

The Valley Of The Moon Jun 06 2021 *The Valley of the Moon* (1913) is a novel by American writer Jack London. Inspired by his experiences as a working-class man and dedicated socialist, London incorporates aspects of his own biography?his interest in sailing, his life on a ranch in Sonoma County?to tell a story of hardship, hope, and perseverance. Having grown disillusioned with the labor movement, London uses the novel to advocate for sustainable agriculture and other alternatives to industry, urban life, and modernization. A former professional boxer, Billy works as a Teamster in Oakland, where strikes and demonstrations for the labor movement often turn violent. Soon after his marriage to Saxon, a young laundry worker, Billy is arrested for assaulting a strikebreaker, the stress of which contributes to his wife's miscarriage. When he is released from jail, Saxon convinces him to reject the labor movement, and the two embark on a journey north to look for work and a new life away from the city. On the way, they meet immigrant farmers who instruct them in the ways of sustainable farming, briefly join an artists' colony, and befriend a young journalist and his wife. After winning a substantial amount of money in a boxing match, Billy purchases a team of horses and envisions a life of prosperity and safety with which to start a family. *The Valley of the Moon*, though relatively unsuccessful at the time of its publication, is a meditative work that illuminates the disparities of the American Dream and provides alternatives without succumbing to despair. In its pages, we see the prototype for such authors as John Steinbeck and Jack Kerouac, visionaries and restless souls who refused to accept that life was impossible to change. With a beautifully designed cover and professionally typeset manuscript, this edition of Jack London's *The Valley of the Moon* is a classic of American literature reimagined for modern readers.

Valley Girls Oct 10 2021 When 17-year-old Rilla is busted for partying 24 hours into arriving in Yosemite National Park to live with her park ranger sister, it's a come-to-Jesus moment. Determined to make up for her screw-up and create a stable new home for herself, Rilla charms her way into a tight-knit group of climbers. But Rilla can't help but be seduced by experiences she couldn't have imagined back home. She sets her sights on climbing El Capitan, one of the most challenging routes in Yosemite, and her summer becomes one harrowing and ecstatic experience after another: first climb, first fall two thousand feet in the air, first love. But becoming the person Rilla feels she was meant to be jeopardizes the reasons why she came to Yosemite—a bright new future and a second chance at sisterhood. When her family and her future are at odds, what will Rilla choose?

Valley Walls Jan 13 2022 Half a century ago a rag-tag group of innovators was building a foundation for modern American rock climbing from a makeshift home base in Yosemite. Photographer Glen Denny was a key figure in this golden age of climbing, capturing pioneering feats on camera while tackling challenging ascents himself. In entertaining short pieces enlivened by his iconic black-and-white images of Yosemite's big wall legends, Denny reveals a young man's coming of age and provides a vivid look at Yosemite's early climbing culture. He relates such precarious achievements as hauling water in glass gallon jugs up the east face of Washington Column, nailing the 750-foot Rostrum in a punishing heat wave, and dangling overnight on El Capitan's Dihedral Wall in a lightning storm. Each true tale captures the spirit of historic Camp 4, where Denny and others plan the next big climb while living on the cheap and dodging park rangers.

Hidden Valley Road May 17 2022 #1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • ONE OF GQ'S TOP 50 BOOKS OF LITERARY JOURNALISM IN THE 21st CENTURY • The heartrending story of a midcentury American family with twelve children, six of them diagnosed with schizophrenia, that became science's great hope in the quest to understand the disease. "Reads like a medical detective journey and sheds light on a topic so many of us face: mental illness." —Oprah Winfrey Don and Mimi Galvin seemed to be living the American dream. After World War II, Don's work with the Air Force brought them to Colorado, where their twelve children perfectly spanned the baby boom: the oldest born in 1945, the youngest in 1965. In those years, there was an established script for a family like the Galvins--aspiration, hard work, upward mobility, domestic harmony--and they worked hard to play their parts. But behind the scenes was a different story: psychological breakdown, sudden shocking violence, hidden abuse. By the mid-1970s, six of the ten Galvin boys, one after another, were diagnosed as schizophrenic. How could all this happen to one family? What took place inside the house on Hidden Valley Road was so extraordinary that the Galvins became one of the first families to be studied by the National Institute of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization, lobotomy, and the schizophrenogenic mother to the search for genetic markers for the disease, always amid profound disagreements about the nature of the illness itself. And unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment, prediction, and even eradication of the disease for future generations. With clarity and compassion, bestselling and award-winning author Robert Kolker uncovers one family's unforgettable legacy of suffering, love, and hope.

Dr. William Smith's Dictionary of the Bible Sep 28 2020

Peak & Valley Baking Sep 09 2021 *Peak & Valley Baking* a specialized baking book which FOCUSES on the effects of cake baking for every altitude, from sea level to 10,000 feet, has explanations & solutions for problems, techniques for success, given with proven tips,, & a full varied collection of cake types, frostings & finishings, from casual to fancy. presented through an authentic, historic & entertaining country local color, including delightful pen & ink illustrations by a renowned portrait artist, bringing fun and smiles.

Look Back All the Green Valley Feb 26 2023 The last in the Kirkman family cycle by one of our most treasured writers In *Look Back All the Green Valley*, Jess Kirkman returns to the North Carolina mountain town of his boyhood to be with his ailing mother and finally settle the family's accounts after the death of his father ten years ago. Cleaning out his father's secret work room reunites him with the irrepressible Joe Kirkman and leads him to make new discoveries--in the dusty room he finds an unusual machine made of stovepipe and ceramic, and a handwritten map. These clues lead him to uncover a part of his father's history he never knew. Rich in the story telling traditions of Southern Appalachia, Fred Chappell's magical novel celebrates a way of life that has passed. *Look Back All the Green Valley* follows Chappell's three previous novels--*Farewell, I'm Bound to Leave You*, *Brighten the Corner Where You Are*, and *I'm Am One of You Forever*--and concludes one of the most rewarding cycles of novels in recent memory.

Memoirs of a River...Up the Crystal, Volume Two Apr 23 2020 In *Volume One*, new and existing Dear Readers will find there's updates galore in many chapter stories, (including a doozy that happened in "Lily Lake, Unrequited Love!") plus new chapters and more families' and historical pictures of the Upper Crystal Valley! A "female Mark Twain" is how one local gentleman described Charlotte Graham's writings. The main feedback after the original book's 2009 printing was how much readers loved all the personal family and historical photos. And one of many benefits of self-publishing:) is the maneuverability for changes, so there's a plenty! Even if purchasing for the second time, you will see that it's worth it! *Volume Two* is ALL about the Crystal River's main settlement hub-the town of Carbondale. We pick up our adventure at the very first Crystal River Valley settler's home- still a "Sustainable Setting Ranch" today. In it's 22 chapters, we find out the "best-kept" secret as to why Carbondale is rated the coolest small town in Western Colorado!

Biennial Report of the Public Utilities Commission, State of Kansas Jan 21 2020

Through the Valley Jun 18 2022 A cancer diagnosis can be shocking and overwhelming, to say the least. But what happens when a husband and wife are both diagnosed with cancers that typically have poor prognoses? Richard and Robin Johnson were the pastors of a rural Colorado church where they were both diagnosed with cancers that would change their lives forever. "We all face 'valley experiences,' but how we deal with these situations and experiences will determine the outcome for us," Richard says. "We can fall prey to fear, worry and defeat, or we can look to the Lord to help us, to strengthen us, and to become what He desires us to be in the midst of every situation." *Through the Valley* will encourage you to trust God and live victoriously in whatever you may be going through in this life, for when Jesus is all we have, Jesus is all we need!

All She Ever Wanted Feb 20 2020 The last time she saw Jake was the day he broke her heart. She wasn't about to make the same mistake twice. Twenty-eight-year-old Leah Adams is content with her life. Living with her best friend in the big city and working as a receptionist at the doctor's office, she doesn't allow herself much time to think about falling in love and starting a family. Until the night her ten-year high school reunion not only brings her to Levy's, but face-to-face with Jake. Leah is faced with feelings she cannot ignore. She has to make a decision that is in her best interest - no matter who gets hurt. She'll have to decide if risking another heartbreak is worth it for all she's ever wanted.

History of the Early Settling of the Bald Eagle Valley Aug 08 2021

My Valley Oct 30 2020 In *My Valley*, Claude Ponti leads us on a journey through an enchanted world inhabited by "Touims" (tiny, adorable, monkey-like creatures), secret tree dwellings, flying buildings, and sad giants. Clever language and beautifully detailed maps of imaginary landscapes will delight children and adults alike. Ponti himself has said, "My stories are like fairytales, always situated in the marvelous, speaking to the interior life and emotions of children. That way each child can get what they want out of the images: the characters and dreams are their own."
