Everything points to suicide - but I saw her face...Headstrong Journalist, Anna Rothman knows what suicide looks like - her own husband killed himself five years earlier. When Elly Swift, an agitated passenger beside her on a train, leaves a locket in Anna's bag before jumping onto the tracks, Anna starts asking awkward questions. But everything points to suicide and the police close the case. Anna, however, believes Elly's fears for Toby, her young nephew, missing since being snatched from St Stephen's church six months ago, fail to explain the true reason behind Elly's distress. Through a series of cryptic clues Elly left behind, Anna starts asking awkward questions, embarking on a dangerous crusade to track down Toby and find Elly's killer. But nothing is as it seems and Anna opens a can of worms that throws into question the death of her husband, five years earlier - before the threads of the mystery converge in an astonishing conclusion. On her way to her mail order husband, a woman meets a stranger and forms an instant connection, although she tries her hardest to remain uninvolved. Sudha Murty explores how a single moment of kindness can change an entire life. Chitra was an abandoned girl alone on a train without a ticket. Sudha couldn't bear to leave a girl alone on the railway station late at night. What could she do? How much responsibility can one woman take for a the life of a strange girl child? Sudha Murty deftly explores the tenderness of selfless, small actions, and how a single person can make all the difference in the world. A ticket on the Magic Train takes the reader from outer space to underwater to a land of cakes. A whimsical guide to training a "pet train" instructs young enthusiasts about important issues including where trains live, what they like to eat, and how to get them to perform the best train tricks. This glorious visual celebration of train travel keeps you on the right track with

stop-offs at the most important and incredible rail routes from all over the world. Your first stop in *The Train Book* is the groundbreaking steam locomotives of the 19th century and your final destination is the high-speed bullet trains of today. From the Union-Pacific Railroad to the Trans-Siberian Railway, you'll cross the continents to experience epic journeys and staggering scenery. You'll pick a seat on the most iconic locomotives, including the Orient Express, the Blue Train, and the Eurostar. You can also inspect the engines of famous British trains, such as Rocket, Mallard, and Javelin, and international trains, such as India's Palace on Wheels and America's Thatcher Perkins. You'll meet the true pioneers of train and track, including "Father of the Railways" George Stephenson, engineering legend Isambard Kingdom Brunel, and Métro maestro Fulgence Bienvenüe. For train-spotters and transport enthusiasts everywhere, this is your trip of a lifetime.

From the bestselling, Pulitzer Prize-winning author of *The Road*—a startling encounter on a New York subway platform leads two strangers to a run-down tenement where a life or death decision must be made. In that small apartment, "Black" and "White," as the two men are known, begin a conversation that leads each back through his own history, mining the origins of two fundamentally opposing world views. White is a professor whose seemingly enviable existence of relative ease has left him nonetheless in despair. Black, an ex-con and ex-addict, is the more hopeful of the men—though he is just as desperate to convince White of the power of faith as White is desperate to deny it. Their aim is no less than this: to discover the meaning of life. Deft, spare, and full of artful tension, *The Sunset Limited* is a beautifully crafted, consistently thought-provoking, and deceptively intimate work by one of the most insightful writers of our time. Combines original sources, archival research, and personal interviews to relate the story of 230 women of the French Resistance who were captured and imprisoned by the Gestapo outside of Paris before being transported to Auschwitz. During the tumultuous year of 2008--when gas prices reached \$4 a gallon, Amtrak set ridership records, and a commuter train collided with a freight train in California--journalist James McCommons spent a year on America's trains, talking to the people who ride and work the rails throughout much of the Amtrak system. Organized around these rail journeys, *Waiting on a Train* is equal parts travel narrative, personal memoir, and investigative journalism. Readers meet the historians, railroad executives, transportation officials, politicians, government regulators, railroad lobbyists, and passenger-rail advocates who are rallying around a simple question: Why has the greatest railroad nation in the world turned its back on the very form of transportation that made modern life and mobility possible? Distrust of railroads in the nineteenth century, overregulation in the twentieth, and heavy government subsidies for airports and roads have left the country with a skeletal intercity passenger-rail system. Amtrak has endured for decades, and yet failed to prosper owing to a lack of political and financial support and an uneasy relationship with the big, remaining railroads. While riding the rails, McCommons explores how the country may move passenger rail forward in America--and what role government should play in creating and funding mass-transportation systems. Against the backdrop of the nation's stimulus

program, he explores what it will take to build high-speed trains and transportation networks, and when the promise of rail will be realized in America. Ashley meets her great-uncle by the old train tracks near their community in Nova Scotia. Ashley sees his sadness, and Uncle tells her of the day years ago when he and the other children from their community were told to board the train before being taken to residential school where their lives were changed forever. They weren't allowed to speak Mi'gmaq and were punished if they did. There was no one to give them love and hugs and comfort. Uncle also tells Ashley how happy she and her sister make him. They are what give him hope. Ashley promises to wait with her uncle by the train tracks, in remembrance of what was lost. While in route to her sister Dena's home in Arizona, Lily Gates takes a train ride she will never forget with her husband, Mark. They see far more than they ever expected. They meet new people, see new places, and run into "old friends" more often than they would like to. The story is filled with several twists and turns, giving the reader a thrill ride of their own. This is sure to be a train ride that you will never forget! The book about America de Tocqueville might have written had he spent some time in the nation's smoking sections Using two cross-country trips on Amtrak as her narrative vehicles, British writer Jenny Diski connects the humming rails taking her into the heart of America with the track-like scars leading back to her own past. As she did in the highly acclaimed *Skating to Antarctica*, Diski has created a seamless and seemingly effortless amalgam of reflection and revelation. *Stranger on a Train* is a combination of travelogue and memoir, a penetrating portrait of America and Americans that is at the same time an unsparing look in the mirror. Traveling and remembering both involve confronting strangers—those we have just met and those we once were—and acknowledging the play of proximity and separation. Diski has written a moving, courageous, and deeply rewarding book about who we are, and the landscapes through which we have passed to get there. Beginning readers discover fun facts about trains—from their history to what makes them work, readers will learn how the first trains moved, which kind of train carries people, what a bullet train is, and more. Through easy-to-follow text, readers will explore for themselves the world of this popular mode of transportation. Detailed photographs give beginning readers an up-close look at a variety of trains in motion. Boy is late for his train. Rushing out of the house, he drops his favourite hat. Let's Go on a Steam Train And choo-choo through the land We sit inside a shiny carriage Feeling oh so grand Toddlers will enjoy this simple rhyming text with vivid illustrations. Mystery and mayhem, on a train. From the creators of Electromagnate and top industry titles. This comic one shot takes place before the events of the Sharks on a Train graphic novel. Hardcover. "Two Jews were traveling on a train. . . ." Many Eastern European jokes—and several of the charming and often hilarious conversations in this book—begin this way. From all regions of the world and from all walks of life, the characters are young and full of life and old and ugly; they are rabbis, matchmakers, students, and immigrants. They gossip and speak about everything from the banalities of the world to the unspeakable evils of existence all for a single purpose: to laugh and to celebrate the good luck of being alive. As Biro recounts these tales, we hear not only his voice and the voice of his father, but those of generations of storytellers who have used humor to teach about the truly important issues in life—the delicacy of love, the fragility of friendship, the pitfalls of self-righteousness, the costs of narrow-mindedness, and the unpredictability of life itself. Biro artfully spins each story, lingering on the details, guiding the reader to the inevitable—yet always unexpected—punchline. Taken individually, these stories will make you laugh out loud; taken as a whole, they form an invaluable record of the sensibilities of an entire people. Biro writes: "These Jewish stories of which not a single one happened to me, and of which I did not invent a single one, do describe me, do characterize me, do explain me. They are always my own story. And yours." When Badger takes his friends

for a ride there are ten on a train then nine on a bus and eight in a boat... One mishap after another keeps an animal behind, until only Hedgehog is left on a pair of roller skates! Will Badger and his friends ever meet up again? Turn the pages and countdown the animals in this delightful cut-out book! Trains take you where you need to go and they move food and other goods from one place to another. Trains are full of shapes, too, which make them fun to look at. You can find circles on the train's wheels and rectangles on the railroad tracks and railroad signs. There are even shapes at the train station. Some ceilings have circles or triangles and some floors have squares. Look inside. Can you find any more? Trains travel from town to town delivering passengers and important cargo to train stations across the country. A new collection of short fiction by the award-winning author of *Stop Breakin' Down* that captures diverse characters whose lives are undergoing startling transformations, in such works as "Eastbound," "Brood," and "Cowry," in which two backpackers in New Zealand race against time to witness the first sunrise of the twenty-first century. Original. 10,000 first printing. This book takes readers on a tour of what's inside a train. Each car has something to find—things that make loud noises, things in different shapes—and along the way, a little child searches for his missing hat. The back of the book is a running landscape dotted with objects for children to find and count. *All Aboard! Let's Ride a Train* is a fun, interactive ride from beginning to end. **EVERY DAY THE SAME** Rachel takes the same commuter train every morning and night. Every day she rattles down the track, flashes past a stretch of cozy suburban homes, and stops at the signal that allows her to daily watch the same couple breakfasting on their deck. She's even started to feel like she knows them. Jess and Jason, she calls them. Their life--as she sees it--is perfect. Not unlike the life she recently lost. **UNTIL TODAY** And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Unable to keep it to herself, Rachel goes to the police. But is she really as unreliable as they say? Soon she is deeply entangled not only in the investigation but in the lives of everyone involved. Has she done more harm than good? Six-year-old Gretl Schmidt is on a train bound for Auschwitz. Jakób Kowalski is planting a bomb on the tracks. As World War II draws to a close, Jakób fights with the Polish resistance against the crushing forces of Germany and Russia. They intend to destroy a German troop transport, but Gretl's

unscheduled train reaches the bomb first. Gretl is the only survivor. Though spared from the concentration camp, the orphaned German Jew finds herself lost in a country hostile to her people. When Jakób discovers her, guilt and fatherly compassion prompt him to take her in. For three years, the young man and little girl form a bond over the secrets they must hide from his Catholic family. But she can't stay with him forever. Jakób sends Gretl to South Africa, where German war orphans are promised bright futures with adoptive Protestant families—so long as Gretl's Jewish roots, Catholic education, and connections to communist Poland are never discovered. Separated by continents, politics, religion, language, and years, Jakób and Gretl will likely never see each other again. But the events they have both survived and their belief that the human spirit can triumph over the ravages of war have formed a bond of love that no circumstances can overcome. Praise for *The Girl from the Train*: "A riveting read with an endearing, courageous protagonist . . . takes us from war-torn Poland to the veldt of South Africa in a story rich in love, loss, and the survival of the human spirit." —Anne Easter Smith, author of *A Rose for the Crown* Full-length World War II historical novel International bestseller Includes a glossary James M. Cain, virtuoso of the roman noir, gives us a tautly narrated and excruciatingly suspenseful story in *Double Indemnity*, an X-ray view of guilt, of duplicity, and of the kind of obsessive, loveless love that devastates everything it touches. Walter Huff was an insurance salesman with an unflinching instinct for clients who might be in trouble, and his instinct led him to Phyllis Nirdlinger. Phyllis wanted to buy an accident policy on her husband. Then she wanted her husband to have an accident. Walter wanted Phyllis. To get her, he would arrange the perfect murder and betray everything he had ever lived for. Down at the train station everyone is busy. No one notices a little monkey--until he tries to help with the schedule board and messes up everyone's rides! Full color. In this rhythmic read-aloud, all you need is an imagination to experience the thrill of a great train ride. When a girl shouts "I can make a train noise, now!" her imagination transforms a coffee shop into a zooming train, and her words clickity-clack across the tracks and blare like a train horn. In a flash, salt shakers and ketchup bottles become skyscrapers, and the girl's voice rattles along the tracks with "I can make a train noise I can make a train noise." Her voice whistles "Nowowwwwwww!" The propulsive, rhythmic text that mimics train sounds is sure to captivate all kids, pair it with gorgeously detailed artwork and you have a read-aloud like no other. Michael Emberley, is the author and artist of many acclaimed children's books, including most notably *It's Perfectly Normal*. Marie-Louise Fitzpatrick is one of Ireland's most distinguished illustrators of books for children. A BookPage Best Book of the Year A Junior Library Guild Gold Standard Selection "Strangers on a Train has lost none of its power to disturb... We will likely be reading Patricia Highsmith for the next one hundred years." —Paula Hawkins Just in time for the centennial celebration of groundbreaking noir fiction writer Patricia Highsmith comes a reissue of her propulsive, engrossing debut, *Strangers on a Train*, with a new introduction by best-selling author Paula Hawkins. Guy Haines and Charles Anthony Bruno are passengers on the same train. Haines is a successful architect in the

midst of a divorce, Bruno a mysterious smooth-talker with a sadistic proposal: he'll murder Haines's wife if Haines will murder Bruno's father. As Bruno carries out his twisted plan, Guy finds himself trapped in Highsmith's perilous world, where, under the right circumstances, ordinary people are capable of extraordinary crimes. The inspiration for Alfred Hitchcock's classic 1951 film, *Strangers on a Train* launched Highsmith's prolific career, proving her a master at depicting the unsettling forces that tremble beneath the surface of everyday life. "From legendary writer Bill James, in collaboration with his daughter, Rachel, a compelling, dramatic, and meticulously researched narrative about a century-old series of unsolved axe murders across America, and how the authors came to solve them"--Jacket. In simple, powerful words and vibrant illustrations, Donald Crews evokes the rolling wheels of that childhood favorite: a train. This Caldecott Honor Book features bright colors and bold shapes. Even a child not lucky enough to have counted freight cars will feel he or she has watched a freight train passing after reading *Freight Train*. Donald Crews used childhood memories of trains seen during his travels to his grandparents' farm in the American South as the inspiration for this timeless favorite. New York magazine's *The Strategist* chose *Freight Train* as one of the "Best (Nonobvious) Baby Books to Bring to a Shower." As *The Strategist* stated: "The Caldecott Honor Book is spare and minimal in both art and text and follows the journey of a freight train and all its cars until it rolls off the page and into the distance. It's a good way to learn all the different names of train cars, too." Red caboose at the back, orange tank car, green cattle car, purple box car, black tender and a black steam engine . . . freight train. Nancy and her friends take their detective skills on an Alaskan adventure in this second book of the *Nancy Drew Diaries*, a fresh approach to a classic series. Nancy's Alaskan adventure continues as she, Bess, and George disembark the mystery-plagued Arctic Star cruise ship and explore the grand sites of the forty-ninth state: Skagway; the Yukon territory, and Denali National Park. It's spectacular scenery, but things start to go wrong almost immediately, leading Nancy to believe that whoever was behind the unsolved mayhem aboard the ship has followed them onto dry land. The girl detectives had better watch their steps—they're on uncharted and unknown territory! Reading level: 4 [red].

Seventh-grader Steve Brixton finds himself pulled back into sleuthing when, during a train trip down the California coast, he uncovers a mystery involving a fleet of priceless automobiles, an assassin, and a private rail car.
