Ice Bear May 25 2020 Follow the path of the awe-inspiring polar bear as it strives to survive in an age-old Arctic habitat threatened by global warming. Huge, magnificent, and solitary, a polar bear moves through the frozen Arctic. Powerful hunter, tireless swimmer, tender mother, gentle playmate — she is superbly adapted for surviving, even thriving, in this harsh and icy climate. Written in poetic language interspersed with fascinating facts, Nicola Davies' breathtaking tale of this massive, stark white animal is brought to life in striking paintings by Gary Blythe. Just as the Inuit people have watched and learned from this amazing creature for generations, readers are invited to witness the majesty of Ice Bear. Back matter includes a note about polar bears and an index.

Esther the Wonder Pig Feb 20 2020 NEW YORK TIMES BESTSELLERAMAZON BEST BOOK OF THE YEAR Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, ESTHER THE WONDER PIG follows Steve and Derek's adventure--from reluctant pig parents to farm-owning advocates for animals.

Surprising Sharks Jul 27 2020 "Everything works in this book — the informative yet humorous writing, the not-too-scary illustrations, and a superb layout that employs multisized text and bright color backgrounds to great effect." — The Horn Book "SHAAAARRRKK!" That's probably the last word anyone wants to hear while swimming in the warm blue sea. But most sharks aren't at all what people expect. In fact, those who think all sharks are giant, man-eating killers are in for a surprise. The compelling narrative, colorful illustrations, and captivating facts in Surprising Sharks reveal that sharks come in all shapes and sizes — and probably should be more afraid of humans than we are of them. Back matter includes an index and a note about sharks.

A Sense of Wonder Nov 30 2020 "Anyone familiar with children's literature knows the gifted pen of award-winning Katherine Paterson. Sales of her books are in the millions, and the list of coveted awards they have garnered - including two Newbery Medals, two National Book Awards, and the Regina Medal - is remarkable." "A Sense of Wonder is a collection of more than three dozen critical essays on reading and writing for children that were originally published as two books, *Gates of Excellence* and *The Spying Heart*. Combined for the first time in one volume with a new introduction, these writings come from speeches Katherine Paterson has given all over the world, from her book reviews, and from articles she has authored on her craft. Her trademark wit, imagination, and perception are in full evidence; she reveals why she remembers being kissed by Miss Maude Henderson, the last person ever kissed by General Robert E. Lee; relates the heartbreaking source of her novel *Bridge to Terabithia*; and describes her dismay at failing as a foster parent to two Cambodian boys. Most of all, this extraordinary writer shares her ideas about writing for children, tells of her passion for reading, and allows us to witness her talent. Teachers, writers, students, parents, librarians - anyone who reads Katherine Paterson's essays - will come away with an expanded vision and a sense of her deep respect for words, ideas, literature, and people."--BOOK JACKET. Time of Wonder Jan 21 2020 Winner of the Caldecott Medal! For fans of *Blueberries for Sal*, *One Morning in Maine*, and *Make Way for Ducklings*. "Out on the islands that poke their rocky shores above the waters of Penobscot Bay, you can watch the time of the world go by, from minute to minute, hour to hour, from day to day . . ." So begins this classic story of one summer on a Maine island from the author of *One Morning in Maine* and *Blueberries for Sal*. The spell of rain, the gulls and a foggy morning, the excitement of sailing, the quiet of the night, the sudden terror of a hurricane, and, in the end, the peace of the island as the family packs up to leave are shown in poetic language and vibrant, evocative pictures.

Wonder of Wonders Nov 18 2019 A sparkling and eye-opening history of the Broadway musical that changed the world In the half-century since its premiere, Fiddler on the Roof has had an astonishing global impact. Beloved by audiences the world over, performed from rural high schools to grand state theaters, Fiddler is a supremely potent cultural landmark. In a history as captivating as its subject, award-winning drama critic Alisa Solomon traces how and why the story of Tevye the milkman, the creation of the great Yiddish writer Sholem-Aleichem, was reborn as blockbuster entertainment and a cultural touchstone, not only for Jews and not only in America. It is a story of the theater, following Tevye from his humble appearance on the New York Yiddish stage, through his adoption by leftist dramatists as a symbol of oppression, to his Broadway debut in one of the last big book musicals, and his ultimate destination—a major Hollywood picture. Solomon reveals how the show spoke to the deepest conflicts and desires of its time: the fraying of tradition, generational tension, the loss of roots. Audiences everywhere found in Fiddler immediate resonance and a usable past, whether in Warsaw, where it unlocked the taboo subject of Jewish history, or in Tokyo, where the producer asked how Americans could understand a story that is "so Japanese." Rich, entertaining, and original, Wonder of Wonders reveals the surprising and enduring legacy of a show about tradition that itself became a tradition. Wonder of wonders, miracle of miracles.

Caterpillar Caterpillar Jun 18 2022 "The text does an excellent job of describing the metamorphosis of a swallowtail butterfly, and the closeup, vibrant drawings of each developmental stage are outstanding." — School Library Journal The best way to learn about a caterpillar is to watch one close up. C Pack: Read & Wonder (New) Various Apr 23 2020

Never!!! Feb 02 2021 Advice on many topics; meant to entertain the reader.

Read, Wonder, Listen Sep 21 2022 GOLD MEDAL WINNER of the 2019 Illumination Awards for Children's Picture Book. “Every person who tells these stories does it in a slightly different way. And every person who reads these stories hears something a bit different. So even though these stories are very old, they are also always new.” Laura Alary combines her gift for telling the biblical stories with historical research, contemporary concerns about language, and a compassionate and inclusive theology making Read, Wonder, Listen, a perfect children’s Bible for progressive Christians. Read, Wonder, Listen will help children, and the adults who love them, ask the big questions of life – the same questions asked by the people in the Bible: Who are we? Where do we belong? What are we supposed to do and who are we supposed to be? Where is God? How does God want us to live? “The reason these stories have lasted so long,” writes Alary, “the reason they were collected and saved so carefully, is because people have always found in them something precious. Something that speaks to people of all times and places. All of these stories are about the great Mystery we call God. They tell of people who met God, wondered about God, waited for God, and were surprised by God.” That sense of wonder and surprise is strikingly and evocatively captured in the full-colour illustrations by Ann Sheng.
