The Fortunate Ones Aug 28 2020 At Twin Oaks Country Club, there are the fortunate ones, and then there are the rest of us: the waiters, the caddies, the valets, and in my case, the cabana girls. Most days, I'm poolside in a pleated skirt, dishing out margaritas to tycoons and titans. It's not exactly my dream job, but it does come with one perk... James Ashwood. He's my silver lining in a custom black suit. Besides being a legacy member at the club, he's a tech mogul and Austin's most eligible bachelor. Oh, and those dimples? Yeah, they make my stomach dip too. On good days, I catch his sleek Porsche winding down the tree-lined drive. On better days, I steal a glimpse of his handsome profile as we pass in the hall. And on the absolute best day, I find him alone at the bar, looking for company. "Come have a seat." Those four little words set me down a path I never could have imagined. Private planes, penthouse suites, and temptations around every corner make it impossible to keep my distance. His world feels decadent and wild-but overindulgence comes with a cost. Every kiss comes with strings. Every erotic encounter is a promise I'm not ready to keep. When I pump the brakes, he hits the gas. James doesn't want to go slow-he wants a commitment. And the thing about the fortunate ones? They're used to getting what they want.

Black, White, and The Grey May 05 2021 A story about the trials and triumphs of a Black chef from Queens, New York, and a White media entrepreneur from Staten Island who built a relationship and a restaurant in the Deep South, hoping to bridge biases and get people talking about race, gender, class, and culture. NAMED ONE OF THE

BEST COOKBOOKS OF THE YEAR BY GARDEN & GUN • "Black, White, and The Grey blew me away."—David Chang In this dual memoir, Mashama Bailey and John O. Morisano take turns telling how they went from tentative business partners to dear friends while turning a dilapidated formerly segregated Greyhound bus station into The Grey, now one of the most celebrated restaurants in the country. Recounting the trying process of building their restaurant business, they examine their most painful and joyous times, revealing how they came to understand their differences, recognize their biases, and continuously challenge themselves and each other to be better. Through it all, Bailey and Morisano display the uncommon vulnerability, humor, and humanity that anchor their relationship, showing how two citizens commit to playing their own small part in advancing equality against a backdrop of racism.

The Ghost of Emily Grey Apr 23 2020 When Claire Galloway accepts a post as nanny for two-month old Daniel Kensington, she is unprepared for the macabre situation that exists behind the walls of Marchfield Manor. Upon her arrival, she learns the tragic history of a woman named Emily Marchfield Grey, who hanged herself from the parapet a half century ago. The disturbing event still shrouds the Gothic manor in a pervasive gloom and sends Daniel's mother, Lily, down a path as nightmarish as the one that drove Emily to the brink of madness. Beginning with the death of Daniel's twin brother, Lily hears Emily's music box every night just before her ghostly apparition appears. Dressed in a Victorian wedding gown, she cradles a bouquet of dead roses as if it were a baby. Claire assumes the visions are Lily's grief-filled imagination and nothing more. But when she begins to experience the same phenomenon herself, she turns to Lily's husband, Mark. A physician and skeptic, he condemns her for stoking his wife's delusions. As the mysterious occurrences become ever more twisted and bizarre, Claire begins to question her own sanity as well as Lily's. Determined to protect Daniel and his mother from the evil that threatens them, Claire risks everything, including her own life, to end Emily's tragic legacy.

King of the Court Mar 03 2021 We don't get a lot of NBA superstars coming through little ol' Pine Hill, Texas. That's why everyone is all in a tizzy over the fact that the USA men's Olympic basketball team will be training here of all places before this year's Summer Games. With little else to talk about, rumors about the players have been spreading like wildfire, and there's one man in the middle of it all holding a match. Ben Castillo. NBA champion. Olympic gold medalist. Widely hailed 'King of the Court'. The morning he walks into my dingy diner, I have enough sense to keep my head down and go right on wiping tables, pouring coffee, and serving up short stacks. A man who looks like that-superstar or not-has only ever meant trouble, and more trouble is the last thing I need, what with taking care of Nan and scraping by on tips from truckers. If anything, he seems drawn to my indifference. His steely gaze pierces me behind the counter. My knees nearly buckle under the weight of his attention. But while Mr. Pretty Boy is probably used to snagging city girls with a smile, this gal is country strong. I won't be some clichéd convenience for him on his way through town. So look over your choices carefully, Benny-boy. We serve up sides of hash browns here, not heartbreak.

The Arizona Clan Oct 18 2019 This is a high-spirited adventure from a true legend of Western storytelling. Kansas rider Dodge Mercer is an ex-gunslinger hungry for the quiet life and seeking only a little corner

of peace in Arizona, so he drifts west looking for a spread of his own, but he runs up against the Southwest's three most dangerous things: a beautiful young woman, sorghum booze runners, and hot-flying lead! **Prince of Wolves** Jan 13 2022 Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jaque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jaque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jaque are getting to know each other, another wolf steps out to try and claim Jaque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jaque be enough to give him the strength to defeat his enemy and will Jaque accept she is Fane's mate and complete the bond between them?

Make Me Bad Apr 04 2021 I was issued a warning: stay away from Ben Rosenberg. As Clifton Cove's resident "king," he thinks he's entitled to anyone and anything. The trouble is, I've spent my whole life following the rules and playing it safe. I know what it feels like to be the good girl. I'm the police chief's daughter and a librarian-for adorable children, no less. My wardrobe consists of colorful sundresses and baggy jeans. I might as well have a Post-it stuck to my forehead that reads: Yup, she's a virgin. An all-nighter with a fictional hunk is about as exciting as my life gets, until one day, fate decides to take pity on me and shove me straight into the path of Mr. Off-Limits himself. Oof. Just as I suspected, every inch of him promises to be my demise. Up close, he's tall, menacing, dangerously handsome—the type of man who's never spent a single moment worrying about the opinions of others. A well-behaved girl would do as she's told and avoid him at all costs, but I'm overdue for a little rebellion. No more Friday nights sprawled out on the couch in my comfiest pajamas. No more wishing I had the courage to misbehave. Everyone thinks Ben is going to ruin me. They think he'll chew me up and spit me out. Well, Ben...go ahead. Tempt me. Taunt me. Make me bad.

She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. I Am Grey Feb 02 2021 "Me and you. It'll never happen. Not today, not tomorrow, not five years from now. Not when some idiot breaks your heart, or when you realise what your little sundresses do to everyone. Not when you're thirty, not when you're fifty. I'm going to push your limits, break you down, make you cry, and in the end ... I'll save you." Some people exist in the blessed light of day, but I'm not one of those people. Not even when he starts to break all of his own rules. Because maybe ... Just maybe ... My demon is me.

Date Me Like You Mean It Oct 30 2020 I'm good at hiding my feelings. Having to pretend I'm not in love with my best friend? Pfft. That's child's play. Here's how I do it: I avert my eyes when he walks out of his room, shirtless in all his toned glory. I squash the butterflies that fill my stomach every time he slowly unfurls a dimpled smile. And, most importantly, I keep an arsenal of "personal massagers" in my bedside drawer. Wink. Not to brag, but Aiden Smith isn't hard to resist if you've been doing it for as long as I have. In fact, we might have continued as best friends forever if not for the fact that I needed him to play the part of my fake boyfriend. Date me like you mean it, I told him. Nudge nudge. C'mon, just go along with a little lie, help a girl out, and then we can all return to life as we know it. Except he veered from the plan. He crossed the line. Flirting with me when no one else was around? Pinning me down and kissing me like that? Okay, how exactly is taking off my bra part of the ruse, Aiden?! I'd ask him about it if I could, but well... things got ugly and we're not best friends anymore. In fact, we're the exact opposite. Now, I have to play nice even though I want to crush his heart in the palm of my hand. Pretending not to love Aiden was the easy part. Pretending not to hate him? Well... I might need a little more practice.

Playing the Grey Man Feb 20 2020 When the rest of us run away, it's

the police officers up and down the country who run into danger and into some of the messiest and most tragic events imaginable. But there's a price to pay. Robert Moon's vivid description of how he left the SAS for a life in the Scottish police gives a shocking insight into the toll that police life can take on even the toughest individuals. At times funny, at other times almost unbearably sad, and often both at the same time, this heart-rending account will leave you with awed respect for the ordinary police men and women, the cops on the front line - and not a little concern about some of those higher up the ranks. When Robert Moon joined the police he was enthusiastic and idealistic; when he resigned and refused his long service medal, he was disillusioned and broken by a job that betrayed the public and had been betrayed by the managers who seemed to have forgotten how to look after the people who really keep us safe.

With This Heart Sep 09 2021 If someone had told me a year ago that I was about to fall in love, go on an epic road trip, ride a Triceratops, sing on a bar, and lose my virginity, I would have assumed they were on drugs. Well, that is, until I met Beckham. Beck was mostly to blame

for my recklessness. Gorgeous, clever, undeniably charming Beck barreled into my life as if it were his mission to make sure I never took living for granted. He showed me that there were no boundaries, rules were for the spineless, and a kiss was supposed to happen when I least expected. Beck was the plot twist that took me by surprise. Two months before I met him, death was knocking at my door. I'd all but given up my last scrap of hope when suddenly, I was given a second chance at life. This time around, I wasn't going to let it slip through my fingers. We set out on a road trip with nothing to lose and no guarantees of tomorrow. Our road trip was about young, reckless love. The kind of love that burns bright. The kind of love that no road-map could bring me back from. **Recommended for ages 17+ due to language and sexual situations.**
